【Books】

Materials	UTokyo OPAC
<p>牧野富太郎原著；邑田仁, 田中純子, 牧野一淳編集『牧野万葉植物図鑑』 東京：北隆館，2022.11</p> <p>This publication is based on three materials left by Tomitaro Makino: "<i>Man'yo shokubutsuzu</i>," "<i>Man'yo shokubutsu mokuroku</i>," and "<i>Man'yo shokubutsu zufu genko</i>," and aims to reproduce "<i>Man'yo shokubutsu zufu</i>" that Makino was never able to publish.</p>	
<p>東京帝國大學編『大日本植物志』 東京：東京帝國大學，1900-1911</p> <p>The descriptive text and illustrations of individual plants were written by Makino and published by the Department of Botany, Tokyo Imperial University of Science. The aim is to draw extremely precise botanical illustrations that are faithful to the real thing.</p>
