

How to access databases, e-journals and e-books from off-campus.

EZproxy

EZproxy is a service contracted by the University of Tokyo allowing members to access electronic resources (databases, e-journals, e-books) from their home or other off-campus locations.

How to use

Sign in

You will need your UTokyo Account to use EZproxy.

On service

While using EZproxy, “.utokyo.idm.oclc.org” will be displayed in the URL.

Sign out

There is no sign out button.
When you exit EZproxy, **please close your browser completely.**

information

Using EZproxy

<https://www.lib.u-tokyo.ac.jp/en/library/literacy/user-guide/campus/offcampus/ezproxy>

Academic Information Literacy Section, ITG, The University of Tokyo
2022.10
literacy@lib.u-tokyo.ac.jp

How to use the database

1. Select a database.

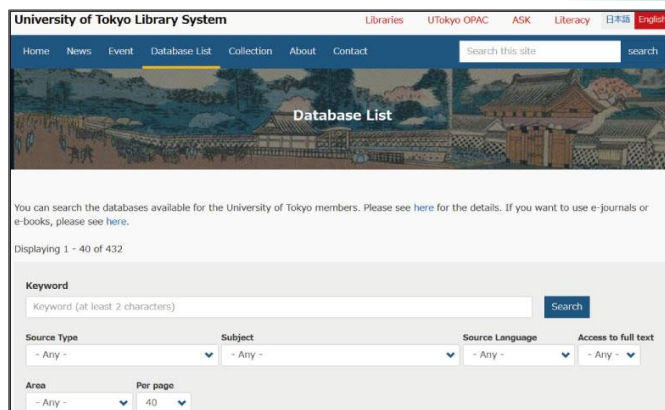

Access the “Database” on the University of Tokyo Library System

<https://www.lib.u-tokyo.ac.jp/en/library/contents/database>

Select a database.

Click on the “Access to database (EZproxy)”.

Please read the notes carefully before using the database.

(Simultaneous users:2) Click on 'Log off' after usage.

2. Signing in to EZproxy

You will be taken to the UTokyo Account sign-in page, sign in with your UTokyo Account and password.

The top page of the database will be displayed.

When you want to use e-journals or e-books, please refer to page 3.

3. Signing out of EZproxy

When you exit EZproxy, please close your browser completely.

Some databases have a maximum number that can access simultaneously. Please log out of the database when you have finished using it before you close your browser.

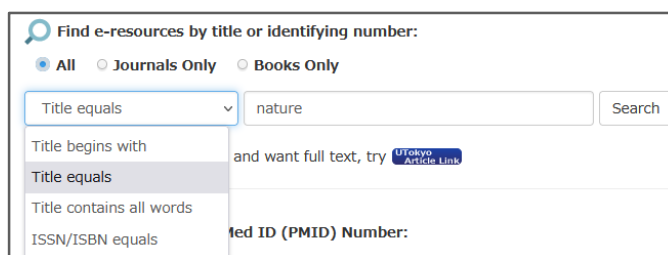

How to use e-journals and e-books

1. Accessing the E-journal & E-book Portal

Refer to 1 - 2 on page 2 to access E-journal & E-book Portal via EZproxy.

Enter the title of the e-journal or e-book you want to access in the search box and click the search button.

The search results will be displayed.

■ Check the available period from ●● to ●●
For each platform, the period available at the University of Tokyo will be displayed as described above.

■ Check the icon 
Only platforms with this green icon can be accessed from off-campus.

Clicking on the database name or platform name will take you to a page where you can read the e-journals or e-books.

2. Signing out of EZproxy

When you exit EZproxy, please close your browser completely.

Please read

1. The use of databases, e-journals and e-books for any purpose other than personal academic research and education is prohibited.
2. Do not disclose information obtained using this EZproxy service. Any disclosure may be an offence against the copyright laws of Japan and contracts with the publishers.
3. The use of databases, e-journals and e-books is conditioned by agreements passed between the university and the publishers. Systematic or programmatic downloading, downloading of large amounts of data in a short time period is prohibited. Please do not conduct excessive or unauthorized downloading. (We recommend that you turn off your browser's link pre-fetching.)
4. Keep your UTokyo Account safe. Use your own PC or secure systems. There is a risk of being hacked if you use a non-secure PC.
5. Respect The University of Tokyo Information Ethics Guidelines. (https://www.u-tokyo.ac.jp/adm/cie/ja/index_00003.html)
6. Some databases, e-journals and e-books can only be accessed on-campus. You will not be able to access these materials through the EZproxy.
7. When you exit EZproxy, please close your browser completely.
8. Some titles may not be available depending on the firewall of the connected network.
